<u>Trust Supplemental Background Investigation Information</u>

DGC-APP-143 (New 08/0711/07)

PLEASE READ THE FOLLOWING PARAGRAPHS CAREFULLY BEFORE YOU COMPLETE THIS FORM

The Gambling Control Act requires any "person" who is an owner of a gambling enterprise to apply for and obtain a state gambling license. Business and Professions (B & P) Code section 19850.

A "trust" is a "person." B & P Code section 19805(aa)(ad) provides that:

"Person," unless otherwise indicated, includes a natural person, corporation, partnership, limited partnership, trust, joint venture, association, or any other business organization. (Emphasis added.)

Thus, a trust that is an owner of a cardroom must be licensed, just as a limited partnership in the same position must be licensed. B & P Code section 19852 goes on to mandate that certain trust-related persons must also apply for and obtain a state gambling license before the trust itself can be licensed, and to authorize the Commission to require licensing of other specified trust-related persons. According to B & P Code section 19852, a trustee of a trust that is an owner of a gambling enterprise, must also apply for and obtain a state gambling license [B & P Code section 19852(e)]. Similarly, the Commission may in its discretion require that the trustor or the beneficiary of a trust that is an owner of a gambling enterprise apply for and obtain a state gambling license [B & P Code section 19852(e)].

"Trustor" means the same thing as "grantor," "donor," or "settlor": a person who creates a trust.

B & P Code section 19852, provides, in part:

Except as provided in Section 19852.2 [racetrack ownership], an owner of a gambling enterprise that is not a natural person shall not be eligible for a state gambling license unless each of the following persons individually applies for and obtains a state gambling license:

...

"e) If the owner is a trust, then the trustee and, in the discretion of the commission, any beneficiary and the trustor of the trust." (Emphasis added.)

A current beneficiary must be licensed if either of the follows applies:

- (1) The beneficiary receives income from a trust that is an owner of a gambling enterprise. (B & P Code section 19850.) "Income" includes distribution of the principal of a trust.
- (2) The beneficiary receives any percentage share of revenue from gambling activities. (B & P Code section 19852(g).) For example, under the terms of the Washington Family Trust, beneficiary William Washington is to receive 10% of the net gaming revenue from Washington's Cardroom every six months.

A current beneficiary who falls in either of the two above-noted categories must submit the following forms:

- One Application for State Gambling License, CGCC-030 (Rev. 08/0711/07); and
- One Gambling Establishment Owner Applicant-Individual Supplemental Background Investigation Information, DGC-APP-015A (Rev. 08/07).

NOTE: Pursuant to B & P Code section 19859(g), any person less than 21 years of age is disqualified from receiving a gambling license. Thus, a current beneficiary who is less than 21 years of age cannot be licensed and accordingly should not submit an application. In lieu of the two forms required above of other current beneficiaries, the parent or legal guardian of such an underage beneficiary shall submit, as part of the trust application package, a copy of a birth certificate or other documentation of the birth date and identity of the beneficiary.

A contingent or future beneficiary is not required to be licensed unless specifically directed to apply for a license by the Commission. However, a contingent or future beneficiary may elect to submit an application, if, for instance, the beneficiary wishes to avoid future delays in receiving income or a share in ownership from a cardroom when the future event occurs, for instance, the death of the current beneficiary.

The purpose of this Trust Supplemental Background Investigation Information form is to obtain information that is necessary to determine whether the applicant meets the requirements for licensure under state law. By completing this form, the applicant is providing information that will be used to make that determination.

This form is to be completed for all trusts. The trustee, trustor, and the beneficiary (if applicable) apply for licensure using the following forms:

- One Application for State Gambling License, CGCC-030 (Rev. 08/07); and
- One Gambling Establishment Owner Applicant-Individual Supplemental Background Investigation Information, DGC-APP- 015A (Rev. 08/07).

If the trustee is also the trustor and the beneficiary, only one CGCC-030 and one DGC-APP- 015A form needs to be submitted. In this situation, the applicant will indicate in Section 4 of the CGCC-030 form that he/she is applying in three separate capacities (trustee, trustor, and beneficiary).

The applicant must provide truthful information in all responses in this application. All answers to questions in this application, and all supplemental documentation provided by the applicant, will be subject to verification. Any misrepresentation or failure to disclose information required on this application may constitute sufficient cause for denial or revocation.

Type, or print legibly in blue or black ink, all information requested on this application. If a question does not apply to the applicant, write "N/A" (Not Applicable). Applications not fully and accurately completed will be returned to the applicant for completion.

Please send your completed Trust Supplemental Background Investigation Information form, along with a completed Authorization to Release Information form (DGC-APP-006, Rev. 08/07) to the California Gambling Control Commission at 2399 Gateway Oaks Drive, Suite 100, Sacramento, CA 95833-4231.
